

Managing the Eviction Process

Making the decision to evict a member is never a simple or easy one. Due diligence is key during this process. Ensure you are legally compliant and thorough while being fair to all parties involved during the process. This workshop will help ensure that paperwork and processes are in place and supported once this difficult decision has been made.

This workshop covers the following:

- overview of eviction procedure for co-ops
- making the eviction decision
- legal paperwork and process
- by-laws and legal obligations

Duration:
**Half Day
Workshop**
