

# CO-OP BASICS

## Meaningful Member Involvement – Managing Projects, Initiatives & Events at Your Co-op

The co-operative housing sector has moved beyond the traditional committee structure. Members in co-ops are able to make valuable and wide-reaching contributions through projects, initiatives and events that drive progress and result in a greater level of satisfaction and enjoyment for co-op members.

Learn the fundamentals of organizing and project planning to ensure success for your co-op's next special events, marketing initiative or community program. Explore how you can make a lasting contribution to your co-op with this informative workshop.

### This workshop covers the following:

- organizational structure of a co-operative
- rights and responsibilities of membership
- organizing initiatives that support your co-op's strategic goals
- creating initiatives that instil pride in your co-op
- leveraging projects and events to demonstrate the co-op principles
