

2020 Century of Co-operation

There will be Century of Co-operation awards this year. However, like everything else affected by COVID-19, things will be different. The plaques will be mailed to co-op offices at the end of October.

Here is how your members would qualify for this award –

Add together the age of the member plus the length of time they have lived in co-op housing. For example, a person who is 80 years old and has lived in co-op housing for 20 years qualifies with an even 100 years.

We will recognize everyone who achieves 100 years or more in 2020. If you have already received a plaque in previous years you will not be eligible.
