

2022 PHCHF Diversity Scholarship Application

Deadline: Monday, March 21st, 2022 at 4:00 PM

PHCHF recognizes that the strength of our membership is reflected in the many cultures and identities represented within our co-ops. PHCHF encourages applications from these diverse communities.

Our Goal

The purpose of the PHCHF Diversity Scholarship is to recognize people living in co-ops who are actively promoting diversity through work within their community. We want to help them with their post-secondary education by providing them with award money and assistance with financial planning.

The Scholarships

You could be eligible for a scholarship if you are going to attend a publicly funded Canadian college, university or approved apprenticeship-training program. We offer scholarships for students who are just graduating from high school or are currently enrolled in a post-secondary program or are returning to school after a break to complete an undergraduate program.

We have special scholarships that are awarded to people who have shown exceptional leadership in their school and community, or who have taken an active role in mentoring young people or have demonstrated a commitment to social justice.

Scholarships are \$5000 distributed over four years.
