Diversity Scholarship Program

PHCHF recognizes that the strength of its membership is reflected in the many cultures and identities represented within its co-ops. PHCHF encourages applications from these diverse communities.

Our Goal

The purpose of the PHCHF Diversity Scholarship is to recognize people living in co-ops who are actively promoting diversity through work within their community. We want to help them with their post-secondary education by providing them with award money and financial planning.

For more information, please email **info@phchf.com**.

Eligibility

Applicants must:

- live in a PHCHF member co-op
- plan to attend a publicly funded, Canadian community college or university or graduate program or approved apprentice training program on a full-time basis in the 2027/2028 academic year
